Reference letter

This document is to serve as a reference for prospective clients of Trainer.bg.

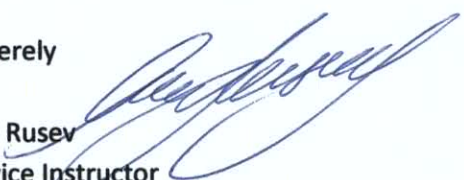

The team of Trainer.bg came as guest lecturers at Teaching Restaurant Talents Sofia, part of HRC Culinary Academy, where the training of our 3rd semester students takes place. Nikolay Dimitrov & Marian Gotsev conducted three 2-hour workshops with our 40 culinary students between 23rd-25th October 2013 on the subjects:

- General communication skills
- Etiquette & protocol
- Work with clients

I would like to express our appreciation of their approach and recommendation of their work. They began with preliminary discussions with our service instructors and analyzed the needs of our students. The workshops themselves were conducted in small groups with a personal approach to each of the participants and appropriate training activities & materials. As for the organization of the workshops, it was also at a very high level.

I would like to thank Trainer.bg for their professional approach & dedication to the training of our culinary talents. We hope to collaborate with them in the future as well.

Sincerely

Rusi Rusev
Service Instructor
