Letter of Recommendation

To Whom It May Concern

It is with great pleasure that I recommend **Trainer.BG** and **Nikolay Dimitrov**. I know Nikolay from few courses I visited at Trainer.BG and his previous training company. In 2012, I attended a presentation skills seminar, a seminar on super-productivity (Flow) and a speed-reading course and I am very happy of his work and methodology. Nikolay is really a strong trainer. He works with passion and comes very well prepared. He has a talent to be a speaker and to train people.

I invited in July 2012 Nikolay Dimitrov and his colleague Marian Gotsev from Trainer.BG to deliver a seminar at NLP Club Bulgaria (a non-profit organization for personal development and NLP – <http://nlpclub.devbg.org>). Nikolay and Marian performed pretty well in front of more than 200 attendees and again I was happy to work with them.

I believe Trainer.BG and Nikolay Dimitrov are the right choice if you need soft skills trainings, courses, seminars or other training events and I am happy to give him my wholehearted endorsement.

Sincerely,

.....
