With the following list of activities facilitated by TRAINER.BG:

All of the activities facilitated by TRAINER.BG in both events were performed with care and required professionalism. All our team members in both these events were willing to participate, showed interest and engagement.

Herewith, I would like to express my gratitude to all these young practitioners from TRAINER.BG and in particular to their leader- Nikolay Dimitrov, who brought all their enthusiasm and effort to serve our needs as an organization in terms of fostering a team-oriented culture, and participative management practice.
